CROSS COUNTRY/TRACK & FIELD CHAMPIONS FUND

The West Virginia University Cross Country and Track & Field programs have proud histories that stretch back to their inaugural seasons in 1978. Now in the 41st season of competition, both teams have produced dozens of All Americans, conference champions, and NCAA qualifiers. Competing in the Big 12 conference requires the highest level of performance from our student-athletes in order to compete for conference and NCAA championships on a consistent basis.

A vital part of our program's ability to continue to grow and succeed in competition, academics, and our communities, is the private, philanthropic support of donors. The Champions Fund was created to raise funds that will supplement and enhance our programs. Gifts to the Champions Fund will be used for team equipment needs, travel costs, and recruiting expenses.

This support to our Cross Country and Track & Field teams will directly assist our programs and our student-athletes so that they are able to have the best student-athlete experience during their time as a Mountaineer.

All Champions Fund gifts received in the current giving year are awarded two (2) points for every \$100 received. All gifts are processed and receipted by the WVU Foundation, Inc. Memberships do not count toward Mountaineer Athletic Club Annual Fund donations, however, they do count for the Priority Points Program.
